

GO GREEN, SAVE GREEN

New in 2017-18:

Buy in advance online and save up to \$2 per ticket

Avoid this year's ticket price increases by purchasing in advance!

Game-day ticket prices are increasing for all sports, but all advance-sale ticket prices are discounted to last year's prices. Big Green fans are encouraged to buy their tickets early to save money and avoid ticket lines on game day.

We now offer mobile ticketing. Buy online anytime, choose "Digital Delivery" and open your ticket in your email to show your ticket at the door at the game. You also have the option to print your tickets at home if you prefer.

No more per-ticket service fees!

Just a flat \$2 fee (regardless of number of tickets) for online orders with Digital Delivery; a flat \$4 fee for online orders to mail tickets or hold at Will Call; and a flat \$5 fee for phone orders.

We appreciate your understanding as we implement these changes and we hope they result in improving your overall experience with Dartmouth Athletics. Go Big Green!
